### **Prayer for our Nation**

Dear God, I pray You will be put in Your rightful position in this country. Give the leaders of this nation the wisdom and integrity to lead our nation in the best direction. Give each one discernment I pray, when making decisions or drawing up the legislation and laws that they pass. And may the decisions that they reach be godly and wise.

As the days become increasingly dark in our country, I pray that the light of Your love will shine on this land. May peace reign in our nation and protect us from those that would seek our downfall, I pray.

I really thank You that you have placed me in this land and I am grateful that I am a citizen of this nation. Thank You, Lord, for my country. In Jesus' name, Amen

Ed Copher, Editor, "Saints Everlasting Keeper of the Flame"

## **“Keeper of the Flame”**

Memories glimmer and hide in the dim shadows

Daring us to ‘...catch me...if you can!’...

As time steadily treads its own meandering path,

It’s hard to trace old members of the clan.

Then someone steps up with lantern and blade

Shouting, “Let’s gather them in for us all, good neighbor!

We’ll bring forth those hidden in the shade, and

Share them with one and another!

“I’ll keep that flame high and the blade ever sharp,

That our friends may never be lost in the dark!”

[Saints Reunion Pensacola Beach, 16-19 October 2023:](#)

Submitted by Ed Chadwick

We are committed for our reunion at the Hampton Inn, Pensacola Beach. The main reunion events are **October 17, 18 and 19th**, although I expect several people to come early and stay later. A room on the gulf front with balcony has a rate of \$159 per night, plus current taxes and fees of 13.78 %. A room on the sound side is \$119 per night, plus the same taxes and fees. Our group code is "163" and is to be used when making your reservations. The hotel phone number is 1 850 932 6800. Please ask for group reservations and Rhaena Dawson when booking your rooms. I suggest you do so soon, since we have preferential rates and there is a limited number of rooms. I believe the

prices are good for the entire week.

**Tuesday, October 17th** is a Pensacola Landmark Tour in a 1930 Ford bus. We will be picked up at the hotel at 1400 hours. There is also an aerial tour scheduled in a PiperSaratoga for those adventurous participants. The aircraft holds 5 passengers and the trip is 40 minutes long, for a total cost of \$510. This trip could also be scheduled on other days.

**Wednesday, October 18th** we plan to spend the day at the Naval Aviation Museum starting with a Blue Angels practice. John Roosen is the "Leader"for that event.

**Thursday, October 19th**, The banquet dinner will be at the hotel and will cost about \$50 per plate, not including beverages. That day we have also scheduled a DolphinTour and box lunch. That event will last two to three hours. The launch point is just down the street.

**In the evenings** we will have All Hands Meetings, with wine and beer. There you will hear stories from the good old days and may even see some films. In addition your task will be to "mill about" and renew old acquaintances.

Friends and relatives are all invited. Let's make this one special.

At present time we have about **40 folks** signed up.

**Point of contact:** Ed Chadwick: [chadco@chadcorealestate.com](mailto:chadco@chadcorealestate.com) Phone: 503-781-3973

**Remember:** don't let the cost keep you from attending, scholarships are available.

**From Ed Copher:** I put the reunion announcement on the VA-163 Facebook page, and it will be in the Summer edition of the Skyhawk Association A4ever magazine.

### **From Ed Chadwick: Pilot Down**

Interestingly in 1967, we lost several men and aircraft in 1967 in an attempted rescue of one Navy pilot. Orders came down immediately that no more high threat rescues would be allowed. It's possible that the reactions of many of us may have eventually altered that "no rescue" policy.

**Saints WestPac 1965-66 Video:**

Saint John Shore had his 8 mm movies converted to a DVD. He said it only took him 50+ years to get it put together. I took the DVD and uploaded it to YouTube.com. What a task for this rookie YouTube user, took many hours, first had to convert the DVD to Mp3, and that took hours of work. Then upload to YouTube took many steps to get accomplished.
